Upon request, a superbill may be provided for submission to your insurance plan for possible out-of-network reimbursement. Reimbursement is determined by your insurance plan and is not guaranteed by Shields Psychiatry.

Patients who are uninsured or choose not to use insurance are entitled to receive a Good Faith Estimate of expected charges in accordance with federal law. Additional information is available through Shields Psychiatry upon request.

### Fee Changes

Fees may change over time. Patients will be informed of applicable fees and material changes to fees as appropriate before services are provided, and at least 30 days in advance of any changes.
